# ABOUT US

Established by DHS legislation in 1996, Adult Mental Health Initiatives (AMHI) are regional organizations that oversee adult mental health services and funding to counties and tribal governments in their area. The AMHIs serve as a mechanism for regional collaboration to build effective community-based mental health services across Minnesota. AMHIs are dedicated to improving the mental health of their community through intentional planning and partnerships across a region.

# STRATEGIC PLANNING

## VISION

the future our AMHI is working towards

## MISSION

our AMHI's unique purpose and the value we bring

## GOALS

the accomplishments we hope to achieve in the next two years

## ACTIVITIES

the specific actions we will take to achieve our goals

## OBJECTIVES

how we will measure our success

Our AMHI used collaborative decision-making, group brainstorming using an online platform called Mentimeter, and in person discussions to develop all aspects of our Strategic Plan

# TIMELINE

# OUR VISION

Communities working together to provide hope and support, where every person knows they are not alone
